It is general knowledge that in view of the association of a country's development with its economic growth, a lot of stress is being laid on the educational institutions in India. Many B-Schools of international reputation have been set up by the Government of India and the educationists who always think in terms of the welfare of the people. Though there are a large number of private institutions in India, all of them do not fulfil the criteria so that they can feature in the list of institutions of reputation. Some of the private institutes, however, attract the attention of all and sundry by virtue of the state-of-the-art features that are required. Given here is the list of some of the 'Top Prominent B-Schools of India'.
