Legal profession has always been considered as the central pillar of the society. Over the years, legal education has witnessed drastic changes. Today our country is producing a large number of law professionals. The face of legal education has completely changed with wide range of professional opportunities available for students, making it a promising career option than earlier when it used to be the last resort for students. Law education sector in India has made and been making tremendous strides in producing high quality young lawyers, we are now witnessing an era of great changes and a new normal way of educating and living in general. These changes are only further indicative of the efforts we now need to put in more than ever before to foster and educate young lawyers with attributes of creativity, innovation and agility and who can continue to contribute towards the evolution of the legal system in our country and world wide.
